GENERAL AND REVENUE SECRETARIAT

Serial Nos. two

Part B for Dec 1950

SUBJECT

Appointment of Special officer for examining titles or interests in immovable properties in the Bihar Station cleared by Military authorities for Bihar purposes.

Extract from the file bearing D.No.2371/C.B. regarding B.U.S. Club.

*****

x x x x x

1) I would like this matter to be speeded up and a Special Officer, if need be, to be posted for the purpose. To leave it to be attended to in the ordinary course may entail neddless delay. I am pretty sure that much more will come to light about such lands leased or otherwise taken possession of by institutions or even individuals. The Chief Secretary will be in charge of this subject and will take all steps to expedite the case being worked up.

Id. H.C.D.
8/8/50

2) Address D.C. first. I shall discuss the matter with the Chief Minister later.

Id. K.S.
19/8/50

x x x x x

3) During pre-occupation days, the Military authorities and the Resident leased out a number of properties for civilian purposes. The Sy Comm has been asked to make a list of such properties and examine whether they could be resumed by this Govt. The Sy Comm is (vide main file) separately being addressed to expedite submission of proposals in this behalf, vide. In the main file the Chief Minister for H.C.D. has minuted as above.

4) It is therefore for orders whether any special officer has to be appointed, so that the work

Serial No.

may be disposed of without delay. Subd for orders

Ckd

20/8/50

5) Action is being taken separately to build up self-contained files in respect of each of the properties which is the subject of a Military lease or grant and to give top priority among these to the properties in the possession of the B. U. S. Club and the property known as the Soldiers' Furlough Home out of which a site is to be allotted to the Govt. of India for the Construction of the new Survey of India Buildings. There are about 40 items of property as so far known which have to be dealt with with a view to confirming grants or initiating resumption proceedings.

6) Meanwhile, as has been suggested in the Hon'ble Finance Minister's minute extracted at para 1, it would make for a speedy disposal of the case if a Special Officer could be appointed to take charge of the work, to examine each case after going through all the records in the Sect. and the D.C.'s Office and to act in close liaison between the D. C. and the Govt. Such an Officer will perhaps have to be attached to the Sect. and work directly

33. Old Poor House Road;

34. Station Parade Ground.

(7) Extracts from Mr. Subramanya Iyer's Un-official Note on the subject are ~~xxxxx~~ as follows:-

xxxx xxx

110) A question has been raised in these files if the Military have any interest in these lands, if they have the right of reversion, and if they should be asked to resume the lands. As pointed out above, the right of reversion in respect of all these grants by the Military authorities vests in the Government of Mysore according to Sections 3 and 4 of the Retrocession Miscellaneous Provisions Act, and all the correspondence is also to this effect. The Military cannot be said to have any interest in these lands at present. The very fact that they have given away these lands in perpetuity for civilian purposes and divested themselves of possession, shows that they do not want them any longer for military purposes.

111) The background is this. In 1881 the C & M. Station was assigned to the British Government (The Crown) for military and other purposes. Some portions of this area were used for military purposes and were in the possession of the Defence Department, and the rest was used for civilian purposes. The Military Officers

Serial No.

granted or leased out some small portions of the lands in their possession to private persons. These acts of theirs indicate that the lands so given away were no longer required ~~gxx~~ for military purposes, and they were allowed to be appropriated for civilian purposes. On retrocession, all lands which are not in the possession of the Military and which are not required for military purposes, or which are not vested in titled in private persons, vest in the Government of Mysore.

114) In the letter of the Government of India (Ministry of Defence) dated 22/4/1949, it is stated as follows:-

> "The Government of Mysore will take the retroceded area subject to these encumbrances, liabilities and obligations, which will have to be honoured. The Government of Mysore cannot succeed to all the rights but can claim only such rights as the Government of India possessed at the time of retrocession. I am, therefore, to say that the existing grantees would be governed by the conditions under which the lands were originally granted to them by the Military Authorities and the powers which were formally assigned to and exercised by the General Officer Commanding, the Division, in respect of these properties would now vest in, and be exercised by, the corresponding authority of the Government of Mysore."

The position taken in this letter is correct and is in consonance with sections 3 and 4 of the Retrocession Miscellaneous Provisions Act. It has also been stated in that letter that the Government of Mysore may resume such of the properties as they may require, if they are not required by the Government of India for the use

of the Army. As pointed out already, it is evident that the Military do not want these lands for Military purposes from the very fact that they have granted them away to private persons for non-military ~~purposes~~ purposes in perpetuity. It is explicitly stated in the Government of India letter (Ministry of States) dated 26/3/1948 that the land in the Richmond Road is not required for any military purposes. It seems to be unnecessary for the Government to go about enquiring if the Military want these pieces of lands which they have transferred to others for civilian purposes and of which they have diverted themselves of possession. All properties which are not in the possession of the Military and which are not being used for military purposes vest in the Government and no formal transfer is necessary. If after resumption of the lands by the Government, the Military require them at any time, they may be given to them by the Government on terms to be arranged.

CKD 29/8/50

4) It is necessary to examine urgently the question of the properties which have been leased or granted by the Military authorities in favour of private persons with reference to the Retrocession agreement, if any, and to regularise the titles of the present holders on reasonable terms or to resume them on payment of Compensation or otherwise.

Serial No.

15 Meanwhile, unauthorised alienation may have to be guarded against, and it may be necessary to issue a warning to the public that such alienations would not be recognised and that parties to such alienations would run the risk of losing their money.

16 The previous records, discussions and decisions in regard to M.A.T. and Retrocession would have to be carefully studied for this purpose, Compensation assessed in suitable cases, and proposals made to Govt. to place these properties on a satisfactory footing.

17 The D. C. Bangalore Dt. has already been requested to take whatever steps are necessary towards this end. In order to assist him and the Govt. and to push through the matter expeditiously it would be necessary to place an Officer on Special Duty, perhaps, for a period of six months in the first instance and to entrust him with the task of going into the records of the Military leases and grants enumerated at para 12 and any others, to make specific recommendations in respect of each property supported by records, and to forward them to Govt. through the D.C. for

~~PRESS NOTE.~~

The attention of the public is again invited to the provisions of the Retrocession (Mis. Provisions) Act 1947 relating to titles to or interests in immovable properties leased or granted by Military authorities in the C.&.M.Station, Bangalore. The Civil Area of the Bangalore C & M Station was retroceded on 26th July 1947 and the Military area on 14th August 1947, so that ~~His Highness~~ the Govt. of Mysore ~~has~~ have jurisdiction over the entire area of what was the C & M Station. Consequently the laws that apply to the Area are the laws of Mysore State. The question of titles to or interests in immovable properties in this Area is governed by the Retrocession Miscellaneous Provisions Act (XXV of 1947) as amended by Act XXIX of 1947 - Sections 3 & 4. By Section 3 thereof all rights to or interests in immovable property situated in the Retroceded Area which have been granted or derived from the Crown or the District, Station or Military Commander are recognised by the Government of Mysore and are declared to have been validly granted. Section 4 is to the effect that the Government shall be entitled after retrocession to all rights and privileges to any immovable property and be also subject to any obligations or liabilities in respect thereof to which the Crown, a District, Station or Military Commander was entitled or subject. The position therefore is that in respect of grants of land that have been made prior to retrocession, the Government of

Mysore takes the place of the grantor i.e., the Crown who was represented in these transactions by the General Officer Commanding and the rights of the grantees continue to have effect according to the terms of the grant. In other words, the "status quo" is continued, the Government stepping into the place of the grantor and being entitled to the rights and subject to the obligations under the grant.

The existing grantees would be governed by the conditions under which the lands were originally granted to them by the Military authorities and the powers which were ~~formally~~ formerly assigned to and exercised by the General Officer Commanding the Division, in respect of these properties would now rest in, and be exercised by the corresponding authority of the Government of Mysore.

The Government of Mysore are now examining the terms and conditions on which the lands were granted by the Military and titles of the lessees to the lands or grounds and to the buildings built thereon with a view to regularising the titles of the present holders on reasonable terms or to resume them on payment of compensation or otherwise, as circumstances may warrant in each case.

In the meanwhile the public are hereby warned against entering into dealings in respect of such properties purporting to acquire rights of ownership or otherwise. Such unauthorised alienations will not be recognised and parties entering into such transactions will be doing so at their own risk.

1.9.50 Chief Secretary to Govt.

31.8.50.

GOVERNMENT OF MYSORE.

No. 9112/C.B.219-50-1.

General and Revenue Secretariat, 28th September 1950.

Dated, Bangalore,.....

NOTIFICATION.

The attention of the public is again invited to the provisions of the Retrocession (Miscellaneous Provisions) Act 1947 relating to titles to or interests in immovable properties leased or granted by Military authorities in the C. & M. Station, Bangalore. The Civil Area of the Bangalore C.& M.Station was retroceded on 26th July 1947 and the Military area on 14th August 1947, so that the Government of Mysore have jurisdiction over the entire area of that was the C. & M. Station. Consequently the laws that apply to the Area are the laws of Mysore State. The question of titles to or interests in immovable properties in this Area is governed by the Retrocession Miscellaneous Provisions Act (XXV of 1947) as amended by Act XXIX of 1947 - Sections 3 & 4. By Section 3 thereof all rights to or interests in immovable property as situated in the Retroceded Area which have been granted or derived from the Crown or the District, Station or Military Commander are recognised by the Government of Mysore and are declared to have been validly granted. Section 4 is to the effect that the Government shall be entitled after retrocession to all rights and privileges to any immovable property and be also subject to any obligations or liabilities in respect thereof to which the Crown, a District, Station or Military Commander was entitled or subject. The position therefore is that in respect of grants of land that have been made prior to retrocession, the Government of Mysore take the place of the grantor, i.e., the Crown who was represented in these transactions by the General Officer Commanding and the rights of the grantees continue to have effect according to the terms of the grant. In other words, the "status quo" is continued, the Government stepping into the place of the grantor and being entitled to the rights and subject to the obligations under the grant.

(contd.....

The existing grantees would be governed by the conditions under which the lands were originally granted to them by the Military authorities and the powers which were formerly assigned to and exercised by the General Officer Commanding the Division, in respect of those properties would now rest in, and be exercised by the corresponding authority of the Government of Mysore.

The Government of Mysore are now examining the terms and conditions on which the lands were granted by the Military and titles of the lessees to the lands or grounds and to the buildings built thereon with a view to regularising the titles of the present holders on reasonable terms or to resume them on payment of compensation or otherwise, as circumstances may warrant in each case.

In the mean meanwhile the public are hereby warned against entering into dealings in respect of such properties purporting to acquire rights of ownership or otherwise. Such unauthorised alienations will not be recognised and parties entering into such transactions will be doing so at their own risk.

By Order of His Highness
the Maharaja,

(SD) K. Srinivasan.
Chief Secretary to Government.

The Civil Area of the Bangalore C & M Station was retroceded on 26th July 1947 and the Military area on 14th August 1947, so that the Government of Mysore have jurisdiction over the entire area of what was the C.& M.Station. Consequently the laws that apply to the area are the laws of Mysore State. The question of titles to or interest in immovable properties in this Area is governed by the Retrocession Miscellaneous Provisions Act (XXV of 1947) as amended by Act XXIX of 1947 - Sections 3 & 4. By Section 3 thereof all rights to or interests in immovable property situated in the Retroceded Area which have been granted or derived from the Crown or the District, Station or Military Commander ~~are the District, Station or Military Commander~~ are recognised by the Government of Mysore and are declared to have been validly granted. Section 4 is to the effect that the Government shall be entitled after retrocession to all rights and privileges to any immovable property and be also subject to any obligations or liabilities in respect thereof to which the Crown, a District, Station or Military Commander was entitled or subject. The position therefore is that in respect of grants of land that have been made prior to retrocession, the Government of Mysore take the place of the grantor, i.e., the Crown who was represented in these transactions by the General Officer Commanding and the rights of the grantees continue to have effect according to the terms of the grant. In other words, the "status quo" is continued, the Government stepping into the place of the grantor and being entitled to the rights and subject to the obligations under the grant.

The existing grantees would be governed by the conditions under which the lands were originally granted to them by the Military authorities and the powers which were formerly assigned to and exercised by the General Officer Commanding the Division, in respect of these properties would now rest in, and be exercised by the corresponding authority of the Government of Mysore.

The Government of Mysore are now examining the terms and conditions on which the lands were granted by the Military ~~xx~~ and titles of the lessees to the lands or grounds and to the buildings built thereon with a view to regularising the titles of the present holders on reasonable terms or to resume them on payment of compensation or otherwise, as circumstances may warrant in each case.

In the meanwhile, the public are hereby warned against entering into dealings in respect of such properties purporting to acquire right of ownership or otherwise. Such unauthorised alienations will not be recognised and parties entering into such transactions will be doing so at their own risk.

By Order of His Highness
the Maharaja,

Chief Secretary to Government.

DRAFT. I

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

Order No. 11040-11044/CB 272-50-1

Dated, Bangalore, 31st ~~Oct.~~ 11 1950.

The titles to or interests in immovable properties leased or granted by Military authorities in the C.&.M. Station, Bangalore require to be examined urgently with a view to regularising the titles of the present holders on reasonable terms or to resume them on payment of compensation or otherwise as circumstances may warrant in each case. The Deputy Commissioner, Bangalore District is taking steps towards this end. In order to assist him and to push through the work expeditiously, it is necessary that an officer belonging to the cadre of Assistant Commissioners should be placed on special duty. Sanction is, therefore, accorded to the appointment of an Officer on Special Duty for a period of three months in the first instance. The Special Officer will go into the records of the Military leases and grants and make specific recommendations in respect of each property supported by records, and forward them to Government through the Deputy Commissioner, Bangalore District for final orders.

Orders will issue separately re: the posting of the Officer on Special Duty.

Draft) 11
3. 11. 50.

NOTIFICATION.

Sri S.H. Venkatesh, B.Sc., Acting Assistant Commissioner doing duty as District Development Officer, Bangalore, is posted as Officer on Special Duty for examining the titles to or interests in immovable properties in the Civil Station, Bangalore leased or granted by Military authorities for civilian purposes prior to retrocession against the post sanctioned in Government Order No. 11040-11044/CB 272-50-1 dated 3rd Nov. 1950.

Will he be Mkg. as an Asst. Comr. or as an Addl. Asst. Comr? Are there any seniors to him who have to revert?

27/10

Sri S.H. Venkatesh is the fourth person from the last amongst the Asst Comrs. Consequently the chances of this reversion as stated may be said to be remote.

Remark 28/10/50
